UNDENIABLY DODGE

DODGE MUSCLE runs deeper than street and track prowess. Dodge Muscle is the brawn that pulls the boats, hauls the quads and fits the skis. It's protection and safety in the form of advanced engineering and technology that work together to keep up to seven passengers secure. Dodge Durango welcomes you to the Brotherhood of Muscle. Get in, buckle up and enjoy the ride.

DURANGO SRT HELLCAT® SILVER BULLET SPECIAL EDITION // shown in Triple Nickel.

DURANGO R/T INTERIOR // shown in Black/Ebony Red Nappa leather face with perforated inserts.

PERFORMANCE INSPIRED, COMFORT DRIVEN

Bold, sporty and spacious—and that's just the first impression. A second look will tell you everything else you need to know. The Durango interior was designed with driver convenience and passenger comfort in mind. The standard Uconnect® 5 system helps keep you informed and entertained. The large, full-colour, 10.1-inch touchscreen integrates with your smartphone. Upload, download, post and search, all while on the go!.* The 4G LTE Wi-Fi Hotspot² is included with Uconnect 5 and boasts fast processing speeds that help keep up to eight devices connected.

With configurable three-row seating and ample cargo space, there's room for everyone and everything. The standard 50/50 split-folding third-row seat provides room for seven. For six-passenger seating, the available, Fold-and-Tumble, second-row Captain's Chairs include soft-touch armrests and a floor-mounted mini console with cup holders.

[1] Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. [2] Three-month / 100 trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot is available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. [3] Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. [4] All vehicles properly equipped to receive connected services come with a 3-month trial of the full suite of Dodge Connect services effective from the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Dodge Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. [5] Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. [6] If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-538-2424. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. [7] The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. [8] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [9] This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. [10] No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. [11] Not compatible with all garage door openers. [12] Vehicle must be locked and system activated for alarm to sound.
